**THANK YOU TO EVERYONE
FOR MAKING OUR DOUBLE THE VALUE
OF YOUR DOLLAR DONATION DRIVE
A HUGE SUCCESS!**

FALL 2011

BLESSED BONDS is a program of the A.D.O.P.T. pet shelter in Naperville dedicated to preserving the human - animal companion bond by offering temporary foster care with the intent of returning the pets back to their owners.

In memory and honor of Anthony and Mike Gallo, family members launched a Double the Value of your Dollar Donation fundraising drive through June and July 2011. Family members pledged to match up to \$2,500 in donations and thanks to your generosity, we not only met our goal but we EXCEEDED IT!

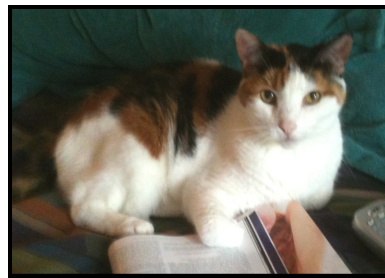

We raised over \$6,100 to help pets in need!

THE REWARDS OF HAPPY ENDINGS: HAPPY PETS!

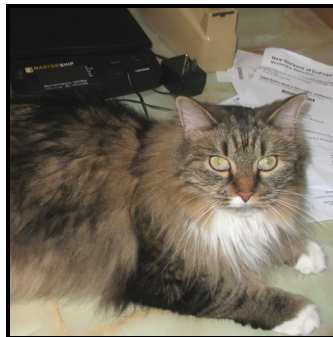

Scooter, a sweet and energetic 10 year old Jack Russell terrier, came to Blessed Bonds when her owner, Jim, was admitted to the hospital. Unfortunately, Jim passed away, and Scooter was left without someone to call her own. As an ADOPT program, we were able to transfer Scooter to the shelter right away to begin her search for a new home. The happy ending to our story is that within 3 days Scooter had won over a new heart and found her new forever home!

Lily (pictured right) enjoyed staying with Cassie and her two cats, but when her owner was unable to take her back, Lily was thrilled to find a new forever home with Ron. Lily is now an "only child," just the way this Siamese girl likes it!

Pictured above, Willie the cat and his foster sister Parker, await the return of Dan to take big Willie home.

Jasper (left) was re-united with Jules after enjoying his stay in Michael's home.

As a Blessed Bonds member, you will receive quarterly (4) newsletters and updates. Know that your tax-deductible donation helps many pets get the care they need.
