## A.D.O.P.T.'S BLESSED BONDS' FOSTERS HELPING PIT BULLS/BULLY BREEDS

SUMMER 2011

BLESSED BONDS is a program of the A.D.O.P.T. pet shelter in Naperville dedicated to preserving the human - animal companion bond by offering temporary foster care with the intent of returning the pets back to their owners.

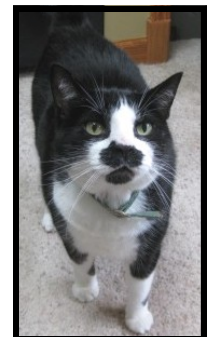

### In Loving Memory Of...

Brooklyn, adored by the Ellingson family and Aunt Sally

Over the past year, we have assisted seven pit bull/bully breed dogs in need. We receive more requests for help than we are able to accept; sometimes because foster families are reluctant to take the challenge on. Callie and Diamond came to us when their owner's home was flooded in the storms of last summer. Payton's owner had to find a new place to live when the home she was renting was placed in foreclosure without her knowledge. Through no fault of their own, these often unfairly mistrusted dogs found themselves in need of temporary homes. We are thankful to our dedicated fosters who have stepped in to provide that safe haven making a real difference in the lives of these dogs and their people.
